Who We Are

Our Mission

To inspire philanthropy, responsibly manage permanent charitable assets, and partner to address key community issues through strategic leadership.

Our History

In 1941, The Stanley Works and New Britain Machine, along with other local businesses, pooled their resources to establish our Foundation.

Today, our Corporate Champions carry on the tradition of businesses partnering with CFGNB to support nonprofits, their programs, and students in higher education.

Our Civic Leadership Fund

The Civic Leadership Fund, presented by Stanley Black & Decker, is the CFGNB's signature fund that sustains our operations. **Your gift to the Civic Leadership Fund provides the wherewithal for our continued stewardship of the resources our community has entrusted to us.**

**A Foundation established
by businesses to support
the Greater New Britain
community.**
