Beehive Society

*Connecting Donors Who Care
With Causes That Matter*

It Takes Many Bees to Make the Hive Successful...

Members of the *Community Foundation's Beehive Society* have ensured the well-being of their community for years to come through the establishment of a future gift.

The *Beehive Society* is an ideal way to leave your legacy and support impactful programs throughout our service area and beyond. When an individual or family informs us of their charitable intentions through any of the planned gift options listed below the Foundation will officially recognize those donors as members of the Beehive Society during their lifetime.

What Are Planned Gifts?

- A Charitable Bequest in your will benefitting the CFGNB and/or any of its funds
- Naming CFGNB as a beneficiary on a Life Insurance Policy, an IRA, or other Retirement Fund, Bank Account, Certificate of Deposit, Savings Bond or other Financial Asset
- Naming CFGNB as a beneficiary of any type of Trust
- A Charitable Gift Annuity established with the CFGNB
- Naming CFGNB as a beneficiary of another type of asset the Foundation may use or sell

Benefits and Opportunities

We can work with you and your advisors to create a plan that saves your heirs a potential tax burden and ensures that your charitable goals are achieved.

Our team can work with you to establish a future fund (\$5,000+) or scholarships (\$25,000+) agreement today. Current and future planned gifts will build your fund and your intentions to make an impact in the community will continue on in perpetuity. You can also designate a portion of your gift to our CFGNB unrestricted fund which will help us increase our grants to nonprofits with the greatest need.

Allow Us to Thank You Now

Beehive Society members are invited to special events and are recognized for their vision and generosity through a planned gift. They are listed on our Foundation website and thanked in our Year in Review publication. Members also have the option to remain anonymous.
